*Ingredients from Organic Agriculture 99,7% of total.

Active Ingredients

Adansonia digitata seed oil *, olea europaea virgin oil*, helianthus annuus seed oil*, calendula officinalis extract*, achillea millefolium extract*.

Indications

The extract of Achillea has an invigorating power, healing and decongestant, Calendula extract has softening, moisturizing and adjuvant action in the treatment of juvenile acne and points blacks. Their presence enhances the action of Virgin Olive oil in balancing sebum, making serum a panacea to repair and moisturize even the driest skin.

Thanks to the presence of vit. E and other polyphenols, Virgin Olive oil also plays a nourishing and protective effect against cellular aging, fighting free radicals.

The synergistic action of Virgin Olive oil, Sunflower oil, also rich in vit. E and essential fatty acids and the valuable contribution of Baobab seed oil, extracted in total purity, that participates in the biosynthesis of collagen carrying out a regenerating and elastic action, help the skin to keep the look young and bright.

How to use

Given its high concentration of active ingredients is sufficient to apply small drops on face, eyes edgings and décolleté and gently massage untill absorbed.

General Information

The raw materials used and the manufacturing process are compliant under the Law 713-11 October 1986, as amended.

The product is not tested on animals.

Has been tested on human volunteers and was found non-irritant and non sensitizing.

Fragrances are in accordance with I.F.R.A.
