Active ingredients

Buttyrospermum parkii butter*, Olea europaea virgin oil*, Theobroma cacao seed butter*, Solum follonum (green clay).

Indications

The green clay is the most precious of clays: is dried in the sun and is rich in minerals such as iron, calcium, potassium, magnesium, silicon, making it a valuable ally of the health and well-being of the skin. Due to the high exchange capacity, release on the skin the minerals of which it is composed - in addition to small amounts of electromagnetic energy accumulated in the process of drying in the sun - and while remineralizes, revitalizes the skin, ridding it of toxins and impurities at the same time.

Disinfectant and healing helps to balance the pH of the facial skin and normalize oily skin as the dry ones, in this also helped by the presence synergistic of Virgin olive oil ,for its lipid composition similar to skin sebum.

The Virgin olive oil, for the presence of vitamin E and other polyphenols, also plays a nourishing, moisturizing and protective action against cellular aging, including combating free radicals.

Shea Butter, rich in Vitamins A, B, E, F, and essential fatty acids, helps to nourish, protect and regenerate the epidermis, is emollient and soothing.

The same Cocoa Butter nourishes and helps prevent dry skin.

How to use

Cleansing mask and facial beauty also has a rejuvenating effect, anti-aging. Is recommended for both oily skins and dry.

Given the high concentration of active ingredients, is sufficient to apply a small amount evenly to cleansed and damp face, avoiding the eye contour.

Let stand for 10 minutes, then rinse with water or use a compressed cotton wool moistened.

For an exfoliating effect, apply a small amount to clean, damp face, always avoiding the eye area, massage skin with gentle circular movements, brushing it away, do not rinse.

It is recommended to use one or even two times a week.

For the soft and nonabrasive consistency of green clay the mask is able to purify the skin, freeing it from the dead cells and impurities and at the same time to nourish and regenerate it in depth.

Therefore, after prolonged exposure to sun, wind, maybe a boat, you may want to apply for 2 - 3 weeks on alternate days to restore the skin of the face hydration and nourishment it needs, restoring tone and brightness , making it smooth and silky.
